iOS Developer | Swift & SwiftUI Expert | App Store Deployment & Payment Integration Specialist

Professional Summary

Impact-driven iOS Developer with **8.2 years** of experience in designing, developing, and deploying robust iOS applications. Proficient in **Swift, SwiftUI, Objective-C**, and **RESTful APIs**, with hands-on expertise in **Core Data, Firebase, SQLite, JSON Parsing**, and **Push Notifications**. Skilled at collaborating within Agile teams, enhancing app performance, and leading end-to-end development cycles. Successfully delivered high-performance apps with seamless third-party integrations, optimized user experiences, and efficient App Store deployments.

Technical Skills

- **Programming Languages:** Swift, SwiftUI, Objective-C
 - **Frameworks & Libraries:** UIKit, Core Data, Alamofire, SwiftyJSON, Firebase, Razorpay, Google Maps SDK
 - **Development Tools:** Xcode, Git, Postman
 - **Databases:** Core Data, SQLite
 - **Other Skills:** RESTful APIs, JSON/XML Parsing, Push Notifications, MVVM Architecture, App Store Deployment
-

Professional Experience

Upgrad – iOS Developer

August 2021 – Present (Internal Movement).

- Spearheaded the development and maintenance of key apps including **Upgrad Living, ATLAS VMS, and ATLAS HR App**, boosting user engagement and operational efficiency.
- Integrated **URLSession, JSON Decoding, Firebase Push Notifications (FCM)**, and third-party SDKs, reducing backend response time by **15%**.
- Delivered seamless **payment integrations, Google Maps features**, and custom chart libraries, enhancing app functionality and user experience.
- Successfully published **4+ apps** on the App Store with ongoing post-launch support.

- Led bug-fixing initiatives, reducing app crash rates by **25%** and improving app stability.
-

Innovation Trust – iOS Developer

June 2020 – July 2021(Internal Movement).

- Developed and enhanced the **ISU Admin** and **Future Tech App**, focusing on dashboard usability and new module integration.
 - Integrated advanced payment gateways such as **Razorpay, Cashfree, and GrayQuest**, reducing transaction failures by **30%**.
 - Improved app performance through optimized API handling and streamlined UI components.
-

Dice Acceleration and Edutech Services – iOS Developer

December 2019 – July 2020(Internal Movement)

- Built the **ATLAS Buzz** app for marketing and admissions with secure payment features.
 - Utilized **Alamofire, SwiftyJSON**, and **Firebase** to optimize backend communication, reducing API latency by **20%**.
 - Managed App Store submissions and post-release updates, ensuring continuous app improvement.
-

Hubmatrix Technologies Pvt. Ltd. – iOS Developer

May 2016 – June 2019

- Engineered **Employee Connect** and **TEAMS FM** apps in **Objective-C**, enhancing communication and asset management for clients.
 - Implemented efficient **XML/JSON parsing** and **Firebase-based push notifications** for real-time data updates.
 - Led App Store deployments, ensuring **100% on-time delivery** of client projects.
-

Education

- **M.C.A – Master of Computer Applications**, Pune University (2015) — **67.38%**
 - **B.C.A – Bachelor of Computer Applications**, Amravati University (2013) — **65.25%**
-

Key Projects & Achievements

- Improved app performance by **30%** through systematic code optimization and proactive debugging.
 - Reduced crash rates by **25%** with robust error handling strategies.
 - Integrated multiple payment gateways with a **99% transaction success rate**.
 - Delivered all projects within deadlines, achieving high user satisfaction ratings.
-

Core Competencies & Soft Skills

- Problem-Solving & Analytical Thinking
 - Team Collaboration & Effective Communication
 - Time Management & Agile Methodologies
 - Client-Centric Approach & Continuous Learning
-

Hard Skills & Action Verbs

- Developed, Integrated, Implemented, Spearheaded, Optimized, Enhanced, Deployed, Debugged, Streamlined, Collaborated
